late article in the St. Louis Evening News which article all the authoritative appellion of the corts to be an authoritative appellion of the savery and the llos. Edward Bates on the slavery aestion. The article is attracting the notice aestion. The article is attracting the notice of had the shrewdness to form a qual France-lines be press very generally.

College is the exceedingly funny answer the England Irretrievably the funnishing of Austria he tires very generally.

Courier makes to our appeal of last Friday:

The Journal is making itself unnecessarily necessarily makes to our appeal of last Friday:

The Journal is making itself unnecessarily necessarily makes the first of th and relapees late its original nuteness. And the amount of this is simply that the Courier is the only danger to be apprehended. Emit this is nearly that the Courier is the moduli of this is simply that the Courier is "teatwind" that. Bit. Gineric has reported the sugarter-son energity tiews and beresies" which he publicly and emphatically endorsed in 1848. This is not enough. I twill never do. It doesn't begin meet the extraction of the case. It doesn't begin to meat the sujections of the case. It doesn't begin to meat them. Why is the therier "satisfied" on the ruins of the first French Emphasia to meat them. Why is the therier "satisfied" on the ruins of the first French Emphasia. to meat them. Why is the tharier "satisfied" on leach at r is in the ascendant. England, if shake print? What has "satisfied" it? How has it should appose Spain by force of arms, may bein become "satisfied?" Does it expect other people as deeply concerned in this matter as itself to be between the two great navel powers of the world hy the bare reflection of its own satis would shake the dynastic position of Europe faction, without a glimpes of the exciting cames?

Is it going to repose in solitude on the embetance, and give the rest of mankind only the shadow,

Careful diplomacy may avert them, but one false unan painter came to this country with her par with nothing but a very oblique hint that aven the step will prove the signal "to cry bavec and it shadow is a gernine shadow? Out upon such insolent exclusivement." The rest of markind will

wasn't framed to submit wishon' a deadly atraggle to so lass sixes recovered its treat in the permanency of must apeak out further, or live to curse the day that it apoke at all.

For, how stands the case? The Courier, like most other ardent spirits, has a pet love and a pet abomination. Mr. Jinthro is the one and agaster covereignty the other. During the last eight out of the the permanency of the result in low York," it says, "is not so disastrous to our party as we at first supposed, and if the right man is selected two York may large the house. Six frocks of covering the other. During the last eight out of the Phemecracy in the Phemecracy of the Phemecracy of the Phemecracy of the Phemecracy of the Ph most other ardent spirits, has a pet love and a pet abomination. Mr. finthrio is the one and squatter-covereignty the other. During the last eight orten or afteen months the Courier has notoriously been engaged in little clse but praising Mr. Ginthrie and cursing squatter-covereignty. It has seemed to be living for no other end than to exalt Mr. Ginthrie and sink squatter-covereignty. It has seemed to be living for no other end than to exalt Mr. Ginthrie and sink squatter-covereignty in the public estimations. All at once, we shadder to say, the fact turns outer turns np that Mr. Ginthrie a few years ago cordially approved a quatter-covereignty, and, by all the rules and regulations of just thinking, cordially approved a quatter-covereignty, and, by all the rules and regulations of just thinking, cordially approved it now, that, in short, the Courier's pet approves it now, that, in short, the Courier's pet love had actually awallowed lits pet abomination and has it in him at this moment! Now, what does age that a mase of ordinary sense and intelligence the the Courier do In the face of this horrible dis- could conceive anch ridleuious atoff and not drown h locure? Does it in a fit of righteous phrenay rip open his ewa blushes. te pel leve in order to test the truth of the terrible What is more delightful, after the Icile and cures of the day are past and one lequirelly embraced in the arms of Morphens, than to be aroused from dreamland by tones of "lengthrule sweetness long drawn out."—Onen County (Ind.) Journal. evelation Does it despatch an emetic down his roat in quest of the abomination that is inxuri-Why, to remain In dreamland undisturbed end srjoy "tired nature's sweet restorer, balmy sleep," rme in holy horror and devout despair, give signs hat all is lock, and, with sobs and lamentations in lengthered oweelness Music is all very deligh

these. Not a bit of any one of them. On the contra-ry, it folds its arms over its vacant bosom, tries to look self-mutained and naraffied, puckers its little great Reformer 10 the spackling gems of melodic mouth into a sort of confidential smirk, and sn-neunces with a melancholy take-that-or-nothing spiration; but we, with Sancho Panza, bless the man who invented eleep, and object to the Caininseed with Mr. Guthrie's portion:

This, we repeat, will never do. And we say it
is all eurneetness. The strong and clear premmption is that Mr. Guthrie's beartily approve squarter
ion is that Mr. Guthrie's beartily approve engunter
that he did approve it heartily only eleven years
ago, and it rere noon the Courier to show, if it can
that be has ever retracted his approval. We challeage the Courier to do this. We defy it to do it
Until the Courier does thir, it is worse than idea.

The description of the course of the course of the course.

The description of the courier does thir, it is worse than idea.

The description of the course of the course.

The description of the course of ir that it abominates "squatter-sovereignly views man who invented aleep, and object to the Cait- di s ridiculous and scandalous, to content itself with erely declaring, that, whilst it "would not under Douglas or any one entertaining his equatter-sovereignly views and heresies," It is "entirely astis-fied wish Mr. Guthrie's position." What right has the Courier to impose its own mysterions and in-

mprehensible extenfection as law or avidence at the free judgments of other people? The assumpen rebut the unquestionable presumption against which is logically much the same thing, if it does we claim the point, and claim, moreov supporting for the Presidency one whose appr York Journal of Commerce and the Evening Post, both of which are Democratic organs: the former representing the Hards or Administration wing and

the latter the Softs or Free Democrats. f squatter-sovereignty which he put forth in 1848 must establish Mr. Guthrie's innoceace or confe his guilt. There is no other escape from confer-tion. As Webster said of the awful secret of murder, "there is no refnge from confession but sui cide is conlession." We hope, how

ever, that the Courier will not be driven to extrem The real question to he presented to the voters if 1

and Northern people is absurdly iccorrect. It is literary aday. Whatever also may have bean said inst that position it has never been charged with inst that position it has never been charged with curity. Throughout the canvas all parties and

factions alike concurred in recognizing it as distlect to vary sharpness. It stood like some towering object dained against the sky. And thus it stands introduced above. A few years ago his first the moment. No comment is needed to illus- made their modest trate it. The assertions of "Pontiac" as quoted by

We publish with sireore pleasure the letter of 1 Mr. Platt, we have inadvertently emitted to notice, has lately assumed the management of the literary department of the "Maca-cheek Press," and the notice of the action of the Action of the literary department of the "Maca-cheek Press," and the notice of the action of the action of the literary department of the "Maca-cheek Press," and the action of the notice of the notice of the literary of the action of the profession occide to more preadly welcome. We feel assured which are an action of the action

Undoubtedly it will be if the most exquisite genues and a fair share of industry can render it success. ful; and we guess they can. As a prose writer Mr. They are nothing the nestly ideal is extremely teres and beautiful. The only thing be needs at a waiter of as those bearing Unasen." "The C in real transport in the very discipline to which the reproce or poetry is the very discipline to which the reprocess or a submitting himself. Let him stand up to while the one on a constant without the while the constant is account. isher proce or posity is the very september of the order order of the order of the order of the order order of the order order of the order orde

CF Some realous folks down East should propose a National Convention to amend the decalogue, get ap a new Mount Sinai, and arrange for the cele-written may often beautiful the pilerim Fathers and bration of the landing of the Pilgrim Fathers on his other side of Jordan. Rev. Mr. Track, of Constanting Imager nections, has discovered a new sin is tobacco raising, and we procume he does not eat figs, because Adam and Eva put the leaves of the tree to a nee, the here idea of which shocks him.

There seems to exist a strong conviction to tough it her been semi officially deried, senly, or coverily under protect of government in Afgicia will post an array on on the frontiers of Morecea, ready 1 and earlies demands. If gland earlies to gate

the Mediterraness at Gibraliar, and lead of and the French Gevernment that she will not per Spain to occupy both sides of the Straits, and to she would oppose it by force and make the question an European one. We doubt whether Falmerster could carry out this policy should the British Cabi net resolve to adhere to it, for we believe france of and will thwert it. Indeed it is hard to ray who lagland could get support on an European que tio based on the preservation of her own interests. St base forced herself into a position of isolation. Th Orlmean war stienated Russia, and Napoleon ba them.!
we presume that no member of the Oppe in Kentucky, in view of the vigorone and par

acky, in view of the vigorone and par ul canvass of the last summer, laint und for the future. For one, we do reselves to contemplate the alternative. Democratic editors are so fond of presen

CHINA.-Lutters received from the squadron have treason and dismembermen?

Washington States.

We don't think the categorical question is fairly put, for a choice between the Washington Consitiun tion and the Washington Consitiun tion and the Washington Crestiun the whole of her crew, without exception, suffering memberment, is Hobson's choice, none a: all! The Coastintion is denonced by the Union for i a trea health, but analyse to move across his cabin, son to Democratic principles, while the Union has to be carried whenever necessary to use eo.

Another Fugitive Slave Remanded to Bonday The real question to he presented to the voters of the countries of the co

the confidence of a second at it is difficult, while used the draiking it. Sell there much in his letter worth consideration. He says, the Opposition, that on the Terri orial question bey are Dred Scott-deckion man—"if such a decision has been made," of which "now and then hey are to attained." He says they will go with scenarior S. ward for the restoration of the Miscouth compromise as a measure of perce, if the Constitution, as expected by the Dred Scott decision, is not in the way.

It is hardly necessary to say that the Louisville To the Editors of the Louisville January.
